

Resale 4 bedroom house, Agia Fyla #29519

€900,000

The house was constructed in 2008 using only high quality materials for the foundation and structure.

It has a user friendly layout, is situated in a quiet and residential area in Agia Fyla.

Internally its an open plan design, kitchen, living, dinning patio, pool,.....all on one level, with an inviting entrance, making it a great and easy house to entertain in.

The kitchen is fully equipped with custom made cupboards with space to dine near the fireplace with family and enjoy the view of the pool.

Upstairs there are 3 very large bedrooms with full wall to wall cupboards all custom made, with more storage outside on the landing.

The master room has the ensuite jacuzzi.

On the first floor there is an enormous veranda that can be utilized as roof garden or made into a 5th bedroom

The house is near to schools, supermarkets, pharmacies and all amenities.

258 m²
