Residential Plot, Agios Athanasios

€650,000 +VAT

📍 Agios Athanasios, Limassol

For sale: This spacious building plot of 673 m² is situated in the sought-after area of Agios Athanasios. Known for its peaceful surroundings and family-friendly atmosphere, Agios Athanasios is a well-established neighborhood offering a perfect blend of comfort and convenience. The area has seen steady growth, attracting residents who value quality living.

The plot boasts a large size, allowing plenty of space for building your dream home or a promising investment project. One of its most attractive features is the stunning panoramic view, including a beautiful sea view that can be enjoyed from the right design. The elevated position highlights the scenery and provides a sense of privacy and tranquility.

This location is excellent for commuters, as it is only a short drive to the highway, making travel to the city or other regions easy and fast. Additionally, all essential amenities such as shops, schools, and leisure facilities are close by, ensuring daily needs are always within reach.
