## Residential plot , Fasoula area

€160,000

📍 Fasoula, Limassol

For sale is a large building plot measuring 667 square meters. This generously sized plot offers plenty of space, making it perfect for creating your dream home or a new investment project. With its expansive size, there is ample room for a spacious house, a beautiful garden, and even extra outdoor features like a patio or private parking.

The plot is situated in a quiet, well-developed area, providing both privacy and easy access to nearby amenities. Its rectangular shape makes it practical for a variety of building designs and layouts, giving you flexibility to bring your vision to life. Peaceful surroundings ensure a pleasant, relaxed atmosphere for your future home.

Whether you are a builder looking for your next project or someone wishing to design a custom home, this plot provides a strong foundation. All essential services are readily available in the area, ensuring a smooth start to construction.

This building plot is exclusively advertised by Magic Properties. Don't miss the opportunity to own this spacious plot and turn your plans into reality. Contact us today to arrange a viewing or for more information.
