Land of Tomorrow is a visionary mixed-use development reshaping the future of Larnaka's coastline. Masterplanned by Foster + Partners, it seamlessly integrates residential, commercial, hospitality, and leisure spaces - all just steps away from the Mediterranean Sea.

Spanning 350,000 sqm, the project is set to include the planting of over 20,000 trees, reinforcing its strong commitment to sustainability.

The community features:

* Modern residential buildings with a full range of amenities

* Vibrant business hubs and flexible co-working spaces

* A premium 5-star hotel with integrated conference facilities

* Lively retail promenades, cafés, restaurants, plazas, and event areas
