

Residential plot, Mesa Geitonia

€2,600,000 +VAT

Mesa Geitonia, Limassol

For sale: A spacious building plot of 1,021 square meters, ideally located in the desirable area of Mesa Geitonia. This large plot offers an excellent opportunity for those looking to create their dream property or invest in a thriving neighborhood.

Mesa Geitonia is a vibrant, well-established suburb known for its mix of residential serenity and easy access to city life. The area is favored for its convenient location, providing quick access to the highway, making commuting and travel effortless. Residents enjoy close proximity to a wide range of amenities, including supermarkets, schools, shops, cafes, and various services, ensuring all daily needs are within easy reach.

The plot itself boasts a gentle elevation, granting beautiful city views and allowing for creative architectural possibilities. With its generous size, there is ample space for a comfortable residence or a modern development, all while enjoying the peace and privacy of this sought-after neighborhood.

This is a rare chance to secure a valuable piece of land in one of the area's most popular communities. For more
