Agricultural land, Parekklesia

€100,000

📍 Parekklesia, Limassol

For sale is a large field with a generous plot size of 846 m², situated in the charming area of Parekklesia. This is a wonderful opportunity to own land in a peaceful and well-maintained community known for its natural beauty and quiet surroundings.

Parekklesia is a sought-after location, recognized for combining the comfort of rural living with easy access to everyday conveniences. The area is admired for its traditional character, friendly neighborhood atmosphere, and welcoming environment. Residents enjoy the balance between privacy and a strong sense of community, making it an ideal place to build a family home or a retreat away from the city.

The plot itself offers stunning mountain and country views, creating an ideal backdrop for your future home. The surrounding landscape embraces you with tranquility and scenic beauty in every direction, adding to the plot's value and appeal. This property is well-suited for those who appreciate nature and wish to design their own living space in a unique location.
