Residential land, Erimi

€170,000

📍 Erimi, Limassol

This building land in Erimi, Cyprus, comes with a view over the village and sits close to local amenities. The land is offered for sale at an asking price of 170,000 EUR, ready for construction.

Erimi's setting gives the plot its outlook: rather than facing directly onto neighboring structures, the view opens toward the village itself. The stated proximity to amenities means everyday services are within reach of the site, though the exact distance is not specified.

For a buyer looking to build in Erimi, this plot offers a defined starting point, with its price and location already established. Contact Magic Properties to arrange a viewing of the site.
