Residential plot, Germasogia

€900,000

📍 Germasogia, Limassol

This residential building plot in Germasogia spans 532 square meters and is offered at 900,000 EUR.

The parcel carries residential zoning across its entire footprint, providing a clean ground profile for construction.

Germasogia adjoins the eastern edge of Limassol as a residential suburb. Supermarkets, pharmacies, bakeries, and banks serve the surrounding district. Detached houses and low-rise residential blocks form the majority of the local building stock.
