This beautifully designed project is simply a masterpiece of contemporary architecture at its best. Designed by one of the most renowned leading design studios in London, Latitude Tower speaks for itself through its meticulous design and esthetique. The five-storey development consists of 5 luxurious offices with one on each floor, providing ample space and functional structures. Spacious layouts carefully thought out to compliment an effective professional working environment. A modern luxury development that defines a design through sophisticated qualities and high-end style. This is where balance, colour, movement and shape blend together as one to offer a prestigious professional workspace that promotes only success and accomplishment.
