

#30480

Residential Plot , Agios Nektarios

€550,000

Positioned in the sought-after neighborhood of Agios Nektarios, this prime residential building plot presents an outstanding opportunity to create a custom residence from the ground up, offered at 550,000 EUR. Whether you are envisioning a spacious private family home tailored to your exact tastes or a refined residential project, this parcel provides the ideal foundation.

Securing a dedicated plot gives you complete creative freedom over architectural layout, interior flow, and outdoor leisure spaces. It is a rewarding pathway for buyers and investors eager to bring an individualized living concept to life without the compromises of retrofitting an established structure.

Agios Nektarios setting provides a peaceful residential ambiance, combining an established community feel with everyday neighborhood appeal. It stands as an inviting and practical backdrop for long-term living, making it an excellent address to put down roots.
