Commercial plot, Apostolos Andreas

€1,500,000

Apostolos Andreas, Limassol

Set within the established community of Apostolos Andreas, this generous 820 m2 residential building plot presents an exceptional canvas for your next vision, offered at 1,500,000 EUR. Featuring attractive city views, this sizable parcel combines generous proportions with the freedom to craft a bespoke property in a desirable Cyprus setting.

The substantial footprint provides remarkable versatility for visionary buyers, offering ample room to design an expansive contemporary family residence with private landscaped gardens, sunlit entertaining terraces, or an elegant residential development. Its favorable setting allows future living spaces to naturally embrace open vistas of the surrounding cityscape while enjoying a bright, airy environment.

Everyday living is effortless here, with local amenities conveniently close by to satisfy daily essentials and errands within a welcoming neighborhood atmosphere. Smooth neighborhood connectivity ensures swift access to the broader city while maintaining a relaxed residential pace. Contact Magic Properties today to explore the possibilities awaiting on this prime building plot.
