

Tourist Land, Softades, Larnaca

€11,500,000

Softades, Larnaca

Positioned along the scenic coastline of Softades, this expansive 65514 m2 tourist development land presents an extraordinary canvas for a landmark coastal project. Offered at 11,500,000 EUR, the prime parcel provides an exceptional scale of opportunity within a peaceful seaside setting, highlighted by sweeping, open sea views.

With its designated tourist zoning, the generous parcel is ideally suited for ambitious hospitality ventures, boutique resorts, or upscale coastal community planning. The vast footprint invites imaginative architecture that takes full advantage of the abundant Cyprus sunshine and refreshing sea breezes, ensuring future developments can effortlessly capture inspiring, unobstructed horizons across the Mediterranean.

Softades combines a quiet, laid-back coastal atmosphere with excellent accessibility. The property is conveniently situated close to the highway, enabling smooth and swift travel to major transit hubs, vibrant town centers, and everyday conveniences while retaining its relaxed shoreline charm.
